University of Omaha

Office: 553-4700 Ext. 358
Home: 551-9860

The University of Omaha, 52 years an institution of higher learning, was founded in 1908 as a private, non-sectarian, co-educational school. The University became municipal in 1931.

The present campus, on the fringe of Omaha when the Administration Building was opened in September, 1938, has grown with the city. In 1949, the second building on campus was opened--the \$750,000 Fieldhouse-Stadium.

The Gene Eppley Library was completed in 1955, the Applied Arts Building in 1959 and the Student Center Building in the spring of 1960. All campus buildings are completely air-conditioned, making Omaha U. the only such university in the world.

Full educational and athletic programs are offered the University's 8,100 students, of which 3,450 are full-time day students.

The University, fully accredited by the North Central Association of Colleges and Secondary Schools, is composed of five colleges: Arts and Sciences, Applied Arts and Sciences, Business Administration, Education and Adult Education. The Division of Technical Institute and Graduate Studies plus a Summer Sessions Department help round out the education program.

The University, as a further service to the community, designs training courses for business and industrial employees; supplies in-service training for teachers; conducts television classes for University credit on KMTV, and sponsors a wide variety of conferences, workshops, lectures and concerts to enrich the academic program.

The University of Omaha has gained an enviable reputation for the quality and character of its athletic teams and currently is a member of the Central Intercollegiate Conference (CIC), The National Association Intercollegiate Athletics (NAIA) and the National Collegiate Athletic Association (NCAA).

National recognition and honors have been received in all sports and steady progress in intercollegiate athletics has been evident during the past decade. Full schedules are sponsored in eight sports--football, cross country, basketball, wrestling, baseball, track, tennis and golf.

Intercollegiate athletics are directed and controlled in the same manner as all other academic and extra-curricular activities. All athletic policies conform to the basic policy of the University as determined by the Board of Regents. The responsibility for the administration of these policies is delegated to the University president. The specific administration of the program is conducted by the Director of Athletics. A Faculty Committee on Athletics advises in the administration of the program.

The athletic program is co-ordinated with the physical education and intramural programs which include similar principles, aims and objectives.

ATHLETIC DIRECTOR VIRG YELKIN has held that position since 1946. He is also head baseball coach and associate professor of physical education.

Yelkin, 48, was born at Firth, Nebr., and attended high school at Lincoln Central. He went on to the University of Nebraska where he was a standout in football and basketball in the mid-thirties. He was on the Kansas City Star's All-Big 6 football team and received honorable mention on All-America teams.

He received his Bachelor's degree in education at Nebraska U. in 1936 and his Master's degree at Omaha U. in 1954.

Virg's coaching career started at South Sioux City, Ia., High School in 1937-38. He coached at Norfolk, Nebr., High in 1938-39 and at Fremont, Nebr., High from 1939 to 1942 before an overseas service stint as a major. He also served in the Korean conflict.

Now recognized as one of the country's top collegiate baseball coaches, he directed last season's team to a 19-7 record and has compiled a 152-53-3 record in 14 years.

HEAD COACH AL CANIGLIA is in his second season as Indians' chief after serving two years as assistant coach.

Al, 40, was born in Omaha and attended Omaha Central High School. After attending Creighton University of Omaha from 1940 to 1943, he entered the Navy. He went to the University of Iowa in 1946, the same year he signed a professional contract with the Green Bay Packers.

After one season with the Packers, a knee injury ended his playing days and Al began coaching. He coached the Norfolk, Va., Naval Football Team in 1946 and the Patterson, N. J., farm club of the Detroit Lions in 1947. After two years (1948-49) as assistant at St. Louis University, he moved to Hillsboro, Ill., High School where he coached football and track, taught physical education and was Dean of Men for seven years. His Hillsboro teams compiled a 36-25-2 record.

LINE COACH DON WATCHORN, 35, was named top assistant by Caniglia in July, 1959. He is now in his third season at Omaha U.

Don was born in Dodge County, Nebr., and attended Ponca, Nebr., High School where he later served as principal, coach and social studies teacher (1950-52). From 1952 to the time he came to Omaha U., he was head football and track coach, assistant basketball coach and industrial arts teacher at Schuyler, Nebr., High.

Watchorn received his Bachelor's degree in education at Midland College, Fremont, Nebr., in 1946 and did graduate work at the University of Nebraska. He received his Master's degree from Omaha U. this past summer.

BACKFIELD COACH KEN FISCHER, 34, is in his second campaign at Omaha U. A personal choice of Caniglia's, he was appointed in February, 1960.

A native of St. Edward, Nebr., Ken coached from 1950 to 1954 at Oakland, Nebr., High and one year at Chappel, Nebr., High before a term at Blair, Nebr., High. His football teams at the three schools rolled up a 69-19-4 record in 10 seasons.

Fischer lettered in football two years at the University of Nebraska where he received his Bachelor's degree in education in 1950. He has done graduate work at Nebraska U. and Omaha U.
